

## Proclamation

09-04

Whereas, architecture influences the daily lives of all Winter Garden residents through the definition and enhancement of the area in which we work, play and live; and

Whereas, past, present, and future Winter Garden are of great concern to all of us and continued growth and planned development play an important role in the economy and our present and future quality of life; and

Whereas, architects in Winter Garden are entrusted to protect public health, safety and welfare through their concern for an understanding of such important issues as growth management, accessibility for people with disabilities, historic preservation, energy consumption, housing for the homeless, as well as sensitivity to the relationship between nature and the built environment; and

Whereas, Winter Garden architects have been recognized as forerunners of architectural design in Florida and the United States and have helped create a unique visual character for this community through innovative and responsive designs for public and private spaces; and

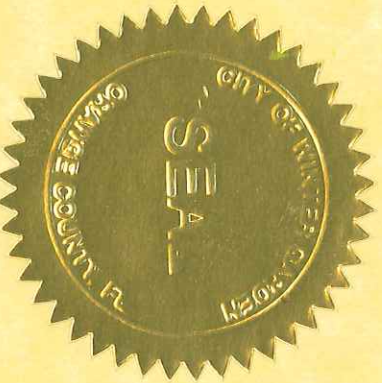

Whereas, the American Institute of Architects, Orlando Chapter and its members have worked diligently to serve the public interest and demonstrated their commitment by contributing to our community through volunteer efforts including developing and redeveloping neighborhoods and designing educational tools for an enhanced appreciation of the built environment and preservation of the architectural heritage of our communities; and

Whereas, the American Institute of Architects, Orlando Chapter celebrates 54 years of architecture in Orlando;

Now, therefore, be it resolved that I, *John Rees, Mayor of the City of Winter Garden*, do hereby proclaim in the City of Winter Garden, Florida, **October 2009** as

## “Architecture Month”

In witness thereof, I have hereunto set my hand and caused the City Seal to be affixed this 27th day of August, 2009.

  
Mayor John Rees

Attest:

  
Kathy Walden, City Clerk
