CALL FOR PRESENTERS

October 19, 2017 | 6pm

ART | DESIGN | COMMUNITY | COLLABORATION

What is NEXT? NEXT is an AIA Orlando event aimed at bringing together creative young designers, artists, groups, and organizations that are motivated to creating positive change in our local community. We are interested in hearing what it is you are doing and how we can work together to help shape the future of our city.

This event is a great way to spread awareness of your cause and get exposure to our local pool of talented artists, architects, designers, and individuals that are interested in being a part of these kind of movements.

If you are interested in being a part of this event, please contact us with a description of what you or your organization is doing and how we can help you to further your cause. We are looking for a "Pecha Kucha" presentation, 20 slides at 20 seconds each. We will also have a space for you to present your work and speak candidly with guests during the reception, etc...

Individually we all care about what happens to our city so let's work together be a part of what happens NEXT!
