## Work Experience

Heery Design, *Architectural Intern* Orlando, FL 2008-2009

**JUSTICE:** Worked on construction documents including partition types, plan details, and life safety ratings; adjusted floor plans; produced courtroom millwork construction package; prepared programmatic and circulation diagrams for schematic presentations; digitally modeled projects with multiple schematic design iterations. Projects included the Corrections Corporation of America Coffee and Wheeler Facilities, Lake County Courthouse, and Long Beach Courthouse.

**HEALTHCARE:** Designed layout, organized and assembled 80 page Advanced Schematic Deliverable Report with an associated Drawing Package for hospital common area redevelopment; rendered site plans; completed floor plans, sections and elevations; developed interior elevations and interior plan details; digitally modeled ambulatory canopy and storefront entrance. Projects included Jackson Memorial Hospital and the Medical College of Georgia Emergency Department Renovation.

SHP Leading Design, *Architectural Intern* Cincinnati, OH 2007

**EDUCATION:** Developed construction documents for K-12 educational facilities; produced schematic 3-D renderings; designed layout and graphics for PowerPoint presentations; developed LEED presentations and supporting documents for client meetings.

KConner LLC, *Owner/Designer* Cincinnati, OH 2007-2009

Initiated online business; illustrated, printed and distributed greeting cards; performed financial bookkeeping and other business related functions; designed website.

Nalbach + Nalbach, *Study Abroad* Berlin, Germany 2005

**HOSPITALITY:** Two week study abroad experience in the design studio of Gernot and Johannes Nalbach in conjunction with a semester of hotel and restaurant design; visited historic sites, museums and local architecture.

Arhaus Furniture, *Sales/Visual Assistant* Lexington, KY 2004-2006

**RESIDENTIAL:** Assisted customers in the selection of furniture and accessories that would meet residential needs; provided construction properties, fabric performance, color schemes and suggested furniture placement; worked directly with Visual Manager; stocked merchandise, performed seasonal floor changes, repaired floor models, painted murals, and arranged floral displays.
