

OBJECTIVE:

Currently seeking a position within a forward looking company where my diverse experience may be utilized to provide the utmost in **client satisfaction** from **project inception** through **design, bidding** and **construction** phase services.

PROFESSIONAL EXPERIENCE:

Project Manager

Cosco Associates, Crestview, FL
February 2008 to March 2010

Responsibilities included:

- Contract negotiations and consultant selection
- Master planning and site selection
- Schematic design
- Design development
- Contract documentation
- Specification writing
- Construction administration

While at Cosco Associates I led a consultant team and architectural staff through several ecclesiastical projects including the design of a 64,000 s.f. sanctuary for a church in Pennsylvania utilizing the latest in A/V and lighting technologies.

Project Manager

Henry Norris Associates, Pensacola, FL
August 2000 to February 2008

Responsibilities included:

- Schematic design
- Consultant selection and coordination
- Design development
- Coordination and preparation of construction documents
- Construction administration

While at Henry Norris Associates I was design lead and main client contact for several large scale resort & hospitality projects with budgets up to \$500 million. I was also responsible for several restaurant, retail and medical projects.

Awards:

- Best of 2006 - South Central, McGraw Hill Construction
- Award of Merit – Private Building, Bella Luna Resort
- “Plaque of Honor” Awarded for Caribe Resort by the Real Estate & Construction Review, Southern U.S. Edition.

Project Manager
