

**OBJECTIVE** Seeking a position that will maximize the use of my current skills and offer opportunities for continued learning.

**EDUCATION**  
**Bachelor's degree in Architecture**  
This is the equivalence of the Title of Architect, first professional degree completed in Caracas, Venezuela  
**ARCHITECTURE** **1996**  
**Jose Maria Vargas University** **Caracas, Venezuela**  
**ADDITIONAL STUDY** **2003-2006**  
**Seminole State College of Florida** **Sanford, Florida**  
52 credits in Architectural Design and Construction Technology, Interior Design and Graphic Design programs  
**CURRENT STUDY** **2011**  
**Seminole State College of Florida** **Heathrow, Florida**  
Computer Aided Design III (Revit 2011)

**EMPLOYMENT**  
**PROJECT DESIGNER** **5/2007 - 10/2010**  
**Bentley Architects + Engineers, Inc.** **Longwood, Florida**  
+ Assisted the Registered Architects in the design and construction documents process on a multi-building complex for the Gainesville Regional Utilities Operation Center.  
+ Elaborated construction documents for new and renovated facilities, including administration and equipment buildings, toll plazas and a weight-in-motion station for the Florida Department of Transportation.  
+ Conducted site visits to verify existing building conditions for renovation projects.

**INTERN ARCHITECT** **6/2006 - 4/2007**  
**Strollo Architects Inc.** **Orlando, Florida**  
+ Completed architectural design at the design development phases of correctional facilities projects, in compliance with the architectural program, Florida Model Jail Standards, and Florida Building Code.  
+ Elaborated construction documents and worked with consulting engineers to ensure coordination and accuracy of architectural drawings.

**ARCHITECTURAL DESIGNER** **8/2005 - 6/2006**  
**Hurricane Group. Engineers, Designers & Constructors** **Altamonte Springs, Florida**  
+ Prepared residential and commercial construction documents.  
+ Developed 3-D drawings in Architectural Desktop program of residential and commercial projects.  
+ Assisted clients with project design.

**INTERN** **6/2004 - 12/2004**  
**Seminole County Government** **Sanford, Florida**  
+ Conducted site visits of Seminole County office buildings to verify existing conditions and update plans.  
+ Elaborated construction documents of office renovations in AutoCAD.

**ARCHITECT** **4/1997 - 3/1999**  
**Cultural Heritage Institute** **Caracas, Venezuela**  
**Technical Officer to the Federal Legislative Palace Restoration**  
+ Conducted measurement of the structural and non-structural elements of the construction and developed digitalization and drawings of plans made by the graphic program in AutoCAD.  
+ Identified building deteriorations. This included physical examination, registry and identification of damage and materials, acoustic analysis, first approach to chromatic study, and graphic and photographic testimonial registries.  
+ Assessed data cards detailing deterioration of all architectural elements of the building.  
+ Revised critical analysis and diagnosis of the documentary investigation with the purpose of identifying ornamental and functional typologies and constructive techniques.

**INSTRUCTOR** **1/1999 - 6/1999**  
**Jose Maria Vargas University** **Caracas, Venezuela**  
+ Taught the course "Theory of Design and Knowledge" in the first semester of the Architecture program.

**SKILLS**  
+ Strong initiative and organizational skills with keen attention to detail  
+ Proficient in AutoCAD 2010 and knowledge in Revit 2011  
+ Sketching, drafting, 3-D models, hand rendering, painting and photography  
+ Sound design sense and concept drawing, as well as graphic and interior design abilities
