

THE AMERICAN INSTITUTE OF ARCHITECTS

Orlando Chapter

Healthcare Committee Lecture with Scott Smythe of Stryker Communications
Friday, February 25, 2005 from Noon - 1 PM

The American Institute of Architects

Orlando Chapter

Is pleased to announce a Healthcare Committee Lecture on:

The Integrated O.R. with Scott Smythe

Hosted by TLC Engineering for Architecture

Scott Smythe is the sales manager for the state of Florida for Stryker Communications. His division of Stryker is dedicated solely to the Integrated OR, and they are the only company that provides a turn key A to Z solution for the integrated OR (they have about an 85% market share). He has been in the industry for over six years now and has participated in the design and implementation process of over 150 integrated OR's.

Discussion Topics Include:

1. Introduction to the Integrated Operating Room
2. Room Design
3. Ceiling Mounted Elements
4. Nurses Station
5. AHCA

ADMISSION: Free

DATE: Friday, February 25, 2005

TIME: Noon - 1PM

LOCATION: TLC 1717 S. Orange Avenue, Suite 300
Orlando, FL 32806

RSVP to karen@aiaorlando.com by Monday, February 21st
Contact Bill Yeaple, Healthcare Committee Chairman at
407.648.9956 with any questions.
