189 South Orange Avenue, 17<sup>th</sup> Floor  
Orlando, Florida 32801  
Phone: (407) 926-3000

Senior Associate – Technical Director of Quality Assurance Department – I wrote two technical manuals, Document Procedures and Policy Manual and Total Quality Assurance Program, used company wide in three offices and in all departments. Those manuals included drawing and document procedures, policy, and standards; project manager checklists and project checklists; Lessons Learned Initiatives; and new design standard directives. I prepared and presented continuing education “lunch and learn” events for staff and served on three internal committees: Education, Library, and Standards. Additionally, I served as the resident Code and ADA advisor and the technical detailing expert, and I was the responsible person in charge of drawing review.

- Previous Employment** Hellmuth, Obata & Kassabaum, Inc. (HO+K) (1993 to Dec. 2006)  
300 South Orange Avenue, Suite 1150  
Orlando, Florida 32801  
(This office is closed. Contact corporate St. Louis Office, at 314-421-2000)

Vice President - Senior Project Architect and Project Management Assistant - Specialized in aviation facility projects with 34 years of professional experience in architectural design, design development, production drawings, construction supervision, and code and accessibility analysis for a variety of large-scale building types with experience in site infrastructure planning; airfield, taxiway and apron configuration; aircraft parking and servicing planning; FIS space planning; and terminal systems and their integration, including baggage and security.

- Sam Chang Architect and Associates, Inc (1990 to 1993)
