## OBJECTIVE

To acquire a project designer or managerial level position in a competitive architectural or design & construction firm, with the opportunity to increase depth knowledge of the K-12 educational sector. Although not limited to the educational sector, I wish to further develop a well rounded architectural understanding in all sectors within a given architectural firm. I look to advance my career, skills and continue my professional development in the course of culminating the registration exams.

## PROFESSIONAL SKILLS

Architectural Desktop 2009, Sketch Up Pro with V-ray plug in, CS3 – Photoshop, InDesign, Piranesi 4, Microsoft Office, Model-Making
