ENGINEERS & PLANNERS

PRESIDENT'S MESSAGE

Dear Fellow Members of AIA Orlando,

Welcome to the AIA Orlando 2023 Design Awards of Excellence celebration. We are so excited to be celebrating with our members, this evening, as we honor the projects that are being highlighted with special awards.

Thank you all, who make the Orlando area a great place to live work and play. Thanks to the committee of volunteers for their many hours of work to support the Design Awards celebration, our sponsors who support the program, and our Staff who support these efforts.

We demonstrate our value as a profession to Central Florida when we engage Central Florida through our activities. We all share a sense of pride in the quality of the talented members of this community that are producing great designs, which leads to an increase in value.

Please reach out to congratulate all of the individuals, teams, and firms whose projects are acknowledged today for their outstanding achievements.

We hope that you leave this event encouraged and inspired to add your name, team or firms name to the list for next year's Design Awards program.

I pray for continued good health and good success on everything that you design with excellence, large and small.

Timothy L. Johnson I, AIA, NOMA AIA Orlando President 2023

LANDRETH
Integrated Digital Lighting Solutions

DESIGN AWARDS COMMITTEE

Good evening everyone and welcome!

I'm delighted to see you here tonight—thank you so much for joining AIA Orlando in our celebration of the exceptional service and design work being done in our community.

I think you're going to be impressed, both walking around and checking out all the submissions, and as we recognize the winners—the quality of design, creativity and service here in Central Florida is truly exciting to see.

To this evening's Event Sponsors: Thank you so much! This event wouldn't happen without your generous support of AIA Orlando.

Thanks are also in order for the AIA Orlando Staff: Kim, Debbie, Gary, and Michele have helped pull together another fantastic event for us.

Thank you to all of YOU attending this evening—your passion and energy for design excellence is what makes the Design Awards Gala such a memorable event every year. Let's get the evening started!

Anne Briggs, AIA, LEED AP BD+C, WELL AP Design Awards and Recognition Committee Chair

*Congratulations to this year's AIA Orlando Award

The background is a solid green field composed of numerous overlapping, semi-transparent geometric shapes, primarily triangles and polygons, in various shades of green. This creates a complex, low-poly pattern. Overlaid on this pattern is the text 'Theoretical & Research' in a large, bold, white sans-serif font. Below this, the word 'SUBMISSIONS' is written in a smaller, all-caps, white sans-serif font.
